1 No one knows where or why, but HR with child makes our Beatdown Top 10. 2 Don Ed Hardy, Mike Marshall, and Jimmy C pay homage to "Big Daddy" at the Laguna Art Museum's "Big Daddy" show, July. 3 Venezuelan artist Carlos Alonso broods beside his GhettoGloss installation, August. 4 SEPARATED AT BIRTH: Ronald English gets in some quality time with "Uncle Dick" Armezy (R-TX). 5 The newly available Eric White hangs with the lovely Gracie Mansion and one of his new "weird face" paintings at her famed Manhattan digs, June. 6 Los Tres Cucharones: KRK, Steve, and ol' Mark Ryden hung tough at the San Diego ComiCon, August, where 7 brother Mark scared up some serious trim. 8 Rog la Rue's Kristen Anderson finds inspiration at Forest Lawn Cemetery, LA.
